Submission of Papers

We welcome **original research papers** that present novel research ideas, **position papers** that discuss new technology trends and provide new insights into this area, **integrative papers** that present interdisciplinary research in the privacy area, as well as **industry papers** that share practical experiences.

Submitted papers must be unpublished and not exceed 8 pages following IEEE ICDM Proceedings Guidelines (http://www.ieee.org/conferences_events/conferences/publishing/templates.html).

Authors shall submit their papers electronically via CyberChair (<http://wi-lab.com/cyberchair/2017/icdm17/index.php>) before the due date in PDF format. All accepted papers will be published in the IEEE ICDM 2017 Workshops Proceedings volume published by IEEE Computer Society Press, and will also be included in the IEEE Xplore Digital Library.

Following the PAIS 2017 workshop, the authors of selected workshop papers will be invited to submit extended versions of their papers for publication in the Transactions on Data Privacy Journal (<http://www.tdp.cat/>).
